

K-LOVE is the only radio station my family listens to. It is the only station of its type (Christian songs) in the area. It is the only way we have of getting information of concerts, etc. in our area.

I believe this would have a negative and devastating effect on our local community if K-LOVE is taken "off the air".

I believe K-LOVE is in the public interest because it supports moral values and has a positive and encouraging impact on the public.
